BUREAU CIRCULAR NO. 1363

To All Members of the Bureau:

Re: **APRIL 1, 1998 LOSS COST FILING**

Please be informed that the Bureau has submitted a filing of Pennsylvania loss costs, related rating values and Manual rule changes with a proposed effective date of April 1, 1998. That filing, Proposal C-337, proposed an overall loss cost reduction of 6.94 percent. Including proposed revisions of loss-based assessment provisions from 0.0278 to 0.0319, the proposed overall reduction would average 6.57 percent.

Policies issued with effective dates on and after April 1, 1998 must be qualified as carrying tentative rates and the Pending Rate Change Endorsement is to be used for this purpose. Note that such policies issued at current rates or on a "to be determined" basis must be endorsed subsequently with the new carrier rates.

Filing Package

The Bureau will be distributing one copy of the complete filing package to the workers compensation product manager of the "lead" carrier (based on premium) of each member group. The mailing process should deliver filings to all carriers during the week of January 5, 1998. Companies are encouraged to make copies of the various portions of the filing package as needed for distribution to the appropriate individuals within their group. The Bureau is not equipped to print or process requests for additional copies from all its members.

Insurance Department Review of Filing

The Insurance Department has assigned review of the April 1, 1998 Loss Cost Filing to Ms. Nabila Audi. Ms. Audi may be reached at the address and phone number shown below for purposes of making comments or asking questions about the status of the filing.

Carrier Filings

With respect to carrier filing procedures and requirements the Insurance Department has again provided the following statement for distribution to all Bureau members:

NO ACTION is required of carriers intending to apply their current loss cost multiplier to the Bureau's new loss costs. A carrier wishing to change their loss cost multiplier will be required to make a filing with the Department. Act 44 requires all carriers to adopt Bureau loss costs upon approval by the Department. Otherwise, they must file their own loss costs which are subject to prior approval.

Carriers wishing to clarify the status of their current multipliers and/or to confirm filing requirements which will be applicable to their companies as prerequisites for the implementation of any specified schedule(s) of loss costs are strongly encouraged to consult with the Pennsylvania Insurance Department in that regard. For that purpose please contact:

Act 86-1986

Act 86-1986 included a section requiring notice of increase in premium. The full details of that Act were covered in Bureau Circular No. 1156 dated September 12, 1986.

Pennsylvania law requires any policy of insurance not written on a retrospective rating plan and covering commercial property or casualty risks in Pennsylvania to provide for not less than 30 days' notice of the intent to increase the insured's renewal premium. Endorsement WC 37 06 03 should be used for purposes of providing the required notices to affected policyholders.

Attached hereto is a table which includes the current Bureau February 1, 1997 loss costs, the PROPOSED April 1, 1998 loss costs and the proposed percentage changes in loss cost by risk classification. All loss costs in the attached table include loss based assessments, Merit Rating Plan credit offsets, and proposed Certified Safety Committee credit offsets. Construction classification loss costs also include Pennsylvania Construction Classification Premium Adjustment Program ("PCCPAP") loadings. Please be reminded that the April 1, 1998 PROPOSED loss costs, if applicable, will be adjusted by individual carriers' loss cost multiplier(s) to determine rates and premiums. Therefore, in your use of the attached table it may not be appropriate simply to compare the February 1, 1997 and PROPOSED April 1, 1998 loss costs in determining whether an Act 86 notice may be indicated.
