BUREAU CIRCULAR NO. 1588

To All Members of the PCRB:

Re: **EXPANSION OF *ON DEMAND* PROGRAM EDUCATIONAL SERIES**

Starting June 1, 2011, the PCRB will add several new programs to its “*On Demand* Programs” educational series, which can be accessed on request and without charge on our website (www.pcrb.com under “*Seminars*”). The topics addressed include:

- Actuarial
- Classification System
- Test Audit Program
- Statistical Reporting
- Rating Plans

These programs, variations of which have previously been presented live by PCRB staff as half-day courses, are designed to explain the PCRB's various functions and responsibilities to interested parties, including but not limited to insurance company staff, agents, state and local government representatives and employers. These classes had normally been conducted at the PCRB's offices in Philadelphia. We can now offer streamlined online programs that vary in length from 16 to 90 minutes and are available to everyone who has access to the Internet.

For interested audiences, the PCRB will continue to offer these programs in person at our Philadelphia offices (see 2011 schedule on the website).

After you have viewed any of our *On Demand* Programs, we encourage you to share your comments and suggestions. Please contact Bruce Decker, Senior Vice President, at bdecker@pcrb.com.
