## PCRB Information Bulletin #041

To all members of the PCRB:

### 2025 Pricing Program Reports Now Available

The Pennsylvania Compensation Rating Bureau (PCRB) has published its latest **Pricing Program Reports**, now available on [pcrb.com](https://pcrb.com) within the [Research & Education](#) section under [Industry Reports](#).

These reports provide clear, data-driven insights into key pricing programs, helping members better understand program performance, participation, and their impact on Pennsylvania's workers compensation system. Designed for usability and practical application, each report distills complex experience data into meaningful findings that support pricing, underwriting, and strategic decision-making.

#### Available Reports Include:

- [Pennsylvania Schedule Rating – 2025 Analysis of Experience](#)
- [Pennsylvania Certified Safety Committee Credit Program – 2025 Analysis of Experience](#)
- [Pennsylvania Construction Classification Premium Adjustment Program – 2025 Analysis of Experience](#)

Each report delivers focused analysis of historical experience, participation trends, and program outcomes—equipping members with actionable intelligence to evaluate pricing practices and market dynamics.

Members are encouraged to explore these reports as part of PCRB's broader suite of industry resources.
